What is a NFT?  
Description

How to start  
building your  
digital art  
collection

## Discover

Artists issue authenticated single edition digital artworks. These are certified on the blockchain to prevent forgery and provide historical records

## Trade

Pieces are always on the move. Purchase at asking price or make a bid, and resell on the online marketplace

## Display

As your collection grows people want to see it - store your NFTs and create a virtual site to show off your art!
